“ To My Forever Friend Mary Lou,  
We enjoyed over 70 years of friendship. Growing up on Bridge Street as young girls and having so many adventures! From attending school together at Sacred Heart being a Bridesmaid at my wedding at Sacred Heart 1961, you were always an important part of my life!  
Being part of the Oldfield Clan was wonderful. Your sweet Mom, and unique and special brothers made life fun!  
We've been blessed to share our lives over the years. I will miss our conversations. No matter how far apart we were or how long it had been since we talked, we always just picked up where we left off!  
Memories are the legacy of love: Mary Lou you will be missed by all who loved you. Sid and I send our deepest sympathy to you Vincent and your families.  
Your Forever Friend,
